GO GREEN SCHEME

Tel Group's Go Green scheme opens up the education sector to additional funding towards school eco projects. This funding is designed to be spent on a current or future project within the school.

Not only will this funding help to achieve your sustainability goals, but your students and staff will be educated and feel empowered.

Students will learn about their impact on the environment and see their work come to life.

The school's curriculum and facilities will be enhanced, attracting potential students.

With an engaging curriculum, staff will feel empowered and motivated to teach.
